

ANIMAL COMMUNICATION CLASSES at QuietStar

Tuesday, March 2 and March 16; 6 PM - 8 PM

"How To Talk to Animals Part I" "How To Talk to Animals Part II"

This entry level class meeting on two evenings will help in developing telepathic communication skills for talking to animals. Workshop highlights include lecture, discussion, video, exercises and demonstration. Bring a picture of your pet for practice. \$39.00

Sunday March 28; 2 PM - 6 PM "How To Talk to Animals Part I and II"

This entry level class will help in developing telepathic communication skills for talking to animals. Workshop highlights include lecture, discussion, practice exercises and demonstration. Bring a picture of your pet for practice. \$39.00

Saturday and Sunday, April 10 and 11; 9 AM - 5 PM

"Advanced Telepathic Communication with Animals" This two-day class is a deepening of the skills learned in the beginning class, which is a prerequisite. More practice, techniques and a field trip to a local farm where we'll try out our new skills among the many animals there. Two full days of instruction and practice. \$150.00

**Instructor: Suzan Vaughn
Psychic Counselor / Animal Communicator**
