Because this workshop builds on the principles of QuietStar's HigherSelf-Spirit Guides course, it is a pre-requisite. If you have not yet taken this course, let's talk about some creative options.

I am very excited to be teaching this course again! I developed this course to integrate the tools and processes I have learned and developed over many years of creating the life of my dreams and helping hundreds of others do the same. If you have any questions about this being for you, just contact me, and we'll chat about it. And remember, the sooner you register, the sooner the workshop starts for you!!! I hope you can join me in this exciting adventure.

Love and Light, Rev. Elaina Geltner
