

Drum Circle: 6:30 to 9:30pm with a
“basic lesson” for new people at 5:30.

We are excited to announce a new Drum Circle at QuietStar. This will be a mix of various drumming traditions, appropriate for all levels of experience (including none!). Bill Timothy will hold the space for the Circle, but it is a community creation. Each time we meet, at the end of each time, one person is chosen to bring a new rhythm next time.

There is no charge for this event. Donations are appreciated to cover the use of the space. QuietStar is a perfume-free environment.
