

Special Limited Edition Scents  
From the QuietStar Collection

Our limited edition scents are co-created with Ariana to provide a powerful alternative to perfumes and colognes. Non-toxic and helpful.

2012:

## The Bliss of Transformation

Create the Shift of your dreams  
Align with the Cosmic Transformation  
Call in Divine Assistance  
Includes the 2012 Meditation

EEF

## Embracing Ecstatic Energy

Opens and connects to the Inner Flute.  
Connects the 2nd and 9th Chakras.

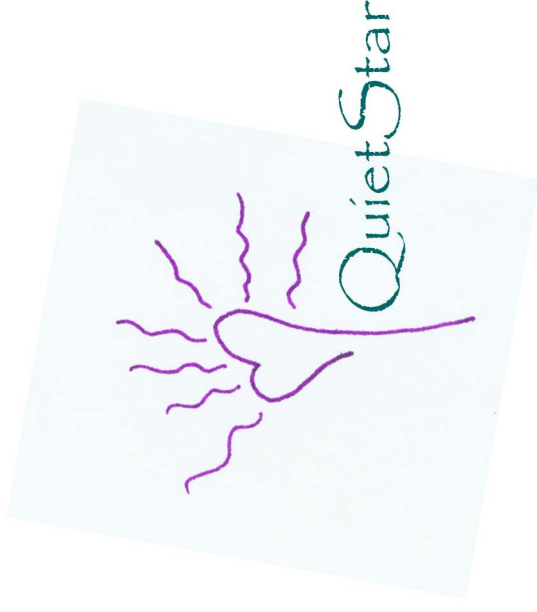

A natural perfume.  
Contains: patchouli, ylang-ylang, frankincense,  
ecstatic energy and more.

## Break Thru to Your Heart's Desire

Our newest creation, this oil provides the extra oomph when you need a blast of balanced male/warrior energy when you are feeling stuck. You've done all your visioning, clearing, and the energy just won't move. Contains vetiver, ylang-ylang, sweet myrrh, holy basil and more! Encoded with frequencies of light to help you move forward in the highest good of all.

QuietStar is dedicated to helping people breakthrough to their hearts' desires through transformational work, connecting to the Spirit in all things, and finding their Soul Path. Elaina Geltner, the founder and director has been assisting people on their spiritual path for over 25 years. Check our website for classes,

sacred journeys and  
Soul Path Alignment™  
consultations.

# Transformational Oils

Unique Essential Oil Synergies and  
selected individual essences,  
Co-created with Ariana,  
the Angel of Fragrance.

Our synergies are hand-blended in small  
batches using high-quality oils,  
selected for their enhanced  
vibrational qualities.

## Synergies for Soul Path Alignment

These blends are created with Ariana, the Angel of Fragrance from pure essential and jojoba oils, to assist in personal and planetary transformation.

### The Creative Urge

Tickle the muse  
Unblock your passion, unleash creativity  
Includes ylang-ylang and clary sage  
Apply a dab under the nose or near your heart. Breathe in gently.

### Death to the Drama Queen

Let go of drama, bring about gentle change  
Includes patchouli and sage  
Apply a dab on your heart chakra when you feel the drama queen taking over

### Divine Purpose

Support for manifesting your heart's desire  
Clarity of your purpose on earth  
Includes clary sage and myrrh  
Use on high heart to activate your Soul Path

### Elixir of Balance

Finding your center,  
The middle ground  
The peaceful resting place  
Includes lavender and sage

### Personal Authority

Follow your inner knowing  
Stand for what you know to be true  
Disconnect from others' authority over you  
Includes tangerine and frankincense  
Use a dab on the solar plexus

### Wings

Repair your clipped wings  
Find the courage to try your own wings, to fly on your own.  
Includes elemi and pink grapefruit  
Apply a dab between the shoulder blades

### Yang

Bring male energy into the 21st century  
Courage and warrior energy balanced with compassion and vision  
Includes cedar, tangerine and bergamot

### Yin

Balanced female energy for the 21st century  
Receptive and assertive  
Includes rose geranium and clary sage

## Ariana's Selected Individual Oils

These properties apply to oils selected by us for their vibrational signature and may not apply to oils from other sources.

All our oils are charged by Ariana to ensure energetic purity

### Cedar

Male energy booster  
Jars you out of complacency  
Repels parasitic energies  
Energetic shielding

Good for setting boundaries  
Use around an area you want to protect (house, altar, baby's room)

### Majoram

Ariana's signature scent: Interdimensional key to unlock "aroma spirituality"  
Awakens clairgustience  
Heals spiritual diseases that come from an over-reliance on technology  
Good for reincarnated Atlantians  
Condition: *desire to learn from the oils*

### Clary sage

Clear thinking, apart from programming  
Decision-making in the highest good of all  
Condition: *mental fogginess, indecisiveness*

### Patchouli

Seeing angels  
Sacred sexuality  
Connecting with one's earthiness  
Working with earthy Nature Spirits  
Condition: *lack of connection with Nature*

### Elemi "elf oil"

Gratitude for all you have  
Living in the lap of luxury  
Condition: *lack of gratitude: "Poor Me"*

### Peppermint

Cooling, refreshing, rejuvenating  
Draws out the inner child  
Condition: *Feeling hot-headed*

### Frankincense

Fosters creativity through co-creation with the Higher Self of Humanity  
Christ Consciousness  
Opens 8th and 9th chakras  
Connects heaven and earth  
Condition: *head stuck in clouds or feeling mired in day-to-day situations*

### Ylang Ylang

Moves energy; connects with passion for life and creativity  
Swelling up from the depths of the earth  
Spiritual masculine/active energy  
Opens the first & second chakras  
Condition: *cut off from the lower chakras, feeling stuck, unmotivated*

### Lavendar

Grandmotherly love  
Contentment and nurturing  
"Held in the bosom of the angels"  
Condition: *feeling alone or unloved*

### Tangerine

Lifts the spirit  
Adds sparkle to your day  
Awakens the magical child  
Condition: *discouraged, feeling heavy*
